

Tulsa Ski Club
Maximum Occupancy Form

Trip name: _____ Trip No. _____

**The "Extra Person In Room" rate might not be available on all trips.
Please verify availability with your Trip Captain or Winter/Summer Trip Chair.**

All the occupants of the room/unit, by their signature below, have agreed to share either "the same hotel room" or a _____ bedroom condominium, and have read and agree to the terms and conditions of this form.

1. **Lodging.** Occupancy on Tulsa Ski Club trips is normally two persons in a double hotel room, four persons to a two-bedroom condominium unit, and six people to a three-bedroom unit. Occupancy by more than this number of persons might not be available on all trips. The property may have its own maximum occupancy limits that cannot be exceeded by the Club. If "extra person in the room" rate is available, the club will not allow more than the above number of occupants in a lodging unit unless all occupants (including family members) have agreed to share a unit and have signed this form.
2. **Pricing.** Normal trip cost is based on a certain number of occupants (see above) in each lodging unit paying the regular trip price. This minimum number must pay the regular, full price before a reduced rate is available. If more than the regular number of occupants agree to share a lodging unit, a rate reduction might apply for the "extra persons in the room." If any "extra person in room" rate is available, any arrangements for averaging of the lodging costs is between the participants and is not the responsibility of the Tulsa Ski Club.
3. **Minimum price.** Pricing for the "extra person in room" is based on actual club costs but cannot be less than \$25.00 per person.
4. **Child discounts.** Rates for "extra person in room" are based on occupancy, not age.
5. **Maximum occupancy.** Participants understand that by agreeing to maximum occupancy, some individuals may share beds or be on sleeper sofas. Rollaway bed may be available upon request, but are not guaranteed and may be an additional cost to the participants.
6. **Cancellations.** If any participant in the group cancels, the minimum number of participants per room/unit paying the full trip price must be met before a refund exceeding the "extra person in room" rate will be issued.
7. **Refunds.** Refunds, when conditions in #6 are met, are based on the amount that each participant has paid to the Tulsa Ski Club and will be issued in accordance with the current cancellation policies of the Club.
