

Ski with us!

Few things in life surpass the incredible views and deafening silence experienced at the top of the mountain, the moment of pause between stepping off the lift and facing your mountain run of choice.

The truth is . . . skiing and snowboarding may be among the most unique of experiences, melding the beauty and power of nature, human engineering of gear and mountain design, and the pure sense of fun found inside each of us.

Downhill skiing or snowboarding is a personal experience, a one-to-one relationship between you and the mountain. But it's also an experience to share with friends. With family. With people you know. Because skiing isn't just the thrill of the mountain, it's the fun of the travel, the glow of the night life, the memories to last for a lifetime.

Tulsa Ski Club trips are led by trained trip captains. The club provides travel and lodging while negotiating group rates for lift tickets and lessons. Let the Tulsa Ski Club make your ski trip more fun and less work. Ski with us!

"I've been a member of the Tulsa Ski Club for more than 25 years. I have been to new places, shared good times with friends, and created lifetime memories. I have made many lasting friendships through the years.

-- Anita Greiner

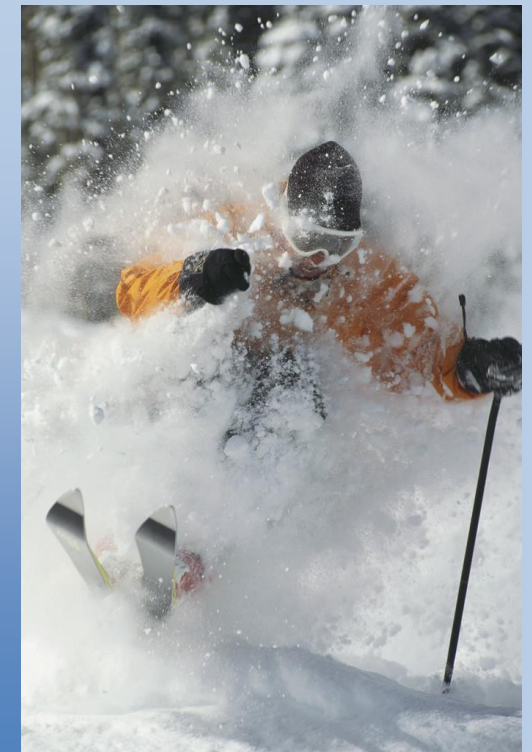

"Each year the club has ski and snowboard trips for families, for adults, and amateur competition. There's something for everyone. This summer we're bowling, golfing, and planning the annual lake party."
