BRECKENRIDGE

January 10-14, 2008

Cost: \$348
3 ski days

2 nights at Pine Ridge Condos

Back by popular demand and just across the street from the lifts and the heart of the base area. Breckenridge is an authentic 136 year old mining town. Its four peaks are flat on the fronts and steep on the sides. The runs spread down to the broad face of 10 Mile Range with miles of green circle comfort skiing below and over 700 acres of open bowls and steeps above the timberline. The broad tree lined runs are great for beginners as well as all level of skiers. In town, there are boardwalks, brightly painted Victorian homes, boutiques, restaurants, galleries and nightspots by the hundreds. Our two bedroom, two bath condos give ski-in, ski-out convenience on the Four O'clock ski run.

President's Column

By Jim Constantine

I hope everyone enjoys the coming Holidays. Don't forget our really nice dress-up Holiday Party, Saturday, Dec. 8th. Non-member/guests and singles are invited to come party with us.

A wonderful belated Christmas present would be a ski trip to Breckenridge. This trip leaves January 10. **Three ski days.** \$348 includes two bath condos and transportation. This trip remains one of our best values because of the ski in/ski out convenience, the pleasure of Breckenridge's old time town and board walk, and the amenities of the town itself... all within walking distance. Contact Dennis Holt - 832-0998.

Why Flatland Races Are Good for the Club

- * The races create club **spirit**. It's a team challenge, which develops individual **skiing skills** and personal **pride**.
- * The challenge to excel is not about speed; it's about **team participation** in all age brackets, young and old... Winning points come from having skiers in all age brackets. Even beginners have a special bracket. Tulsa is defending **first place** championship. Lots of **excitement** is experienced in joining teammates and spouses at Awards Banquet.
- * This 2 bus trip is Jan. 29. \$529 includes 5 ski days, banquet dinner, happy hours daily, \$70 activity pass, and great lodging at the very nearby Phoenix condos. Contact Kelley Phillips or Gene and Evan Elsberry.

What It Takes to Run a Ski Club

- * Our board of volunteer directors operate the Tulsa Ski Club for the benefit of our members. After a term in office, our directors are good general business managers, and better at promotion, accounting, and publishing/website.
- * The current mix of board members includes **willing volunteers**, giving to the club for all the friends and good times received. Our board is composed of members with experience and continuity plus new members with ideas to achieve our purpose. Our purpose is to **provide skiing and social opportunities** for individuals and families.

Giving Back to the Club That Has Brought Us Much Pleasure and Friendship

- * Board meetings usually last 2 hours now. The November board meeting was actually only one hour. We strive for orderly discussion, votes go smooth, and we save time through email correspondence. We rely on the **combined wisdom** of board members.
- * Our board members change next May. The Nomination Committee starts in December and January.
- * **Please volunteer** for our ski club, either as a board member or as a nomination committee member.

Crested Butte

Cost: \$399
4 ski days
3 nights at The Chateau and Three Seasons Condos

CRESTED BUTTE
MOUNTAIN RESORT
COLORADO

4 days of skiing at Crested Butte. It's a great mountain with a variety of terrain. The green slopes are fun, and the left side of the mountain features some very challenging double-diamond terrain. Lots of great restaurants and entertainment, both at the mountain base and in town.

Pyramid shaped Mt. Crested Butte looms over Crested Butte, the last of the Colorado hippie ski towns. The lower front of the mountain is mostly beginning and intermediate terrain, while the cliff riddles bowls and faces on the back side, known as the North Face, test even the most talented skiers. The pretty Victorian mining town has excellent shopping and dining.
