President's Column

By Bruce Dawson

By now the leaves have fallen, and there's a real chill in the air as snow has begun to fall in the mountains. Winter is only days away as we find ourselves in the midst of the holiday season. Every year the Tulsa Ski Club has a Holiday Party and Dance; this year is slated to be a great time for us to get together. Live music, good food, and the opportunity to be together during the holidays allows us the chance to strengthen our friendships and make new friends. Be sure to call **Chuck Harrington**, our Social Chairman, to reserve your place at the party.

We had a group of 26 people attend the Gilcrease Museum luncheon and art exhibits on Saturday, November 22nd. **Sunni Wager** led us on the Ansel Adam's photography exhibit followed by a delicious luncheon in the museum restaurant. After lunch, we toured the 101 Ranch exhibit, a fascinating look at the Old West, complete with rugged and talented men and women who represented a bygone era. Thanks to **Sunni** and **Chuck** for organizing such a fun and successful event.

Of course conversations during lunch at the Gilcrease quickly turned to this year's Winter Trips. With our first trip to Keystone, CO December 26-31, there is still some space available for that special holiday experience. Contact **Gary Buscombe** for more information.

Early January's trip to Snowmass, CO is filling up with a few spaces remaining. This should be a super trip to the Aspen/Snowmass area, one of Colorado's premier resorts. Contact former TSC President **Gene Elsberry** to reserve your space.

Sun Valley, ID will be a new winter destination for the Tulsa Ski Club set for January 14-19. Winter Trip Chair **Georgenia Van Tuyl** is the Trip Captain for this wonderful historic location. At press time, there may still remain one or two spaces available for this fly out trip. Contact **Georgenia** for all the details.

Every year the Flatland's ski trip proves to be one of the most fun and exciting trips we offer. This year should prove no different. Defending our title as #1 in our association for the third straight year will be an absolute blast. Great food, friendly people, and fun on the slopes will all add up to a memorable vacation this year at Copper Mountain. Contact either **Anita Greiner** or **Evan Elsberry**, this year's Trip Captains, for more information. If you can only go on one trip this year, Copper Mountain is the one for you.

Looking forward to seeing all of you at the Holiday Party!

TSC Garage Sale Nets \$424.23

by Anita Greiner

We made \$404.23 from the garage and bake sale!! I want to thank all those who contributed and helped with the garage sale! It takes a group effort to pull these events off. **Dottie Millis** suggested doing a bake sale with the garage sale, and that was a big hit! She also sold Veteran's Day cards at the November meeting and donated that money (\$20) to the garage sale proceeds.

JoAnn Huber donated items, loaned tables and ladders to display items, and baked. **Alma Buscombe, Bruce** and **Paula Dawson**, my sister **Sylvia Jones**, and I spent the better part of a day pricing. **Gary** and **Helen Cheatham** donated items and loaned a table. **Dottie** and **Bill Millis** help peddle items during the sale along with **Bruce, Paula, JoAnn, Sylvia**, and me. Several members dropped sale items off at my house, and others met me at the sale site. **Evan Elsberry** made and put out signs the night before. A Great Big THANK YOU to everyone who helped.

Crested Butte

February 12-17, 2009

Cost: \$438

4 ski days

3 nights at The Chateau

ADDING 2ND BUS - CALL IMMEDIATELY FOR SPACE AVAILABLE

4 days of skiing at Crested Butte. It's a great mountain with a variety of terrain. The green slopes are fun, and the left side of the mountain features some of the most challenging double diamond terrain. Lots of great restaurants and entertainment, both at the mountain base and in town.

Mountain shaped Mt. Crested Butte looms over Crested Butte, the last of the Colorado Hopper ski towns. The lower front of the mountain is mostly beginner and intermediate terrain, while the cliff needles bowl, and faces on the back side, known as the North Face, test even the most talented skiers. The pretty Victorian mining town has excellent shopping and dining.
