President's Column

By Bruce Dawson

As we enter this time of new beginnings, we are about half way through the Winter ski season.

Your Board of Directors has decided to repackage the Winter Trip to Beaver Creek, CO. Because TSC did not have enough interest in the Beaver Creek trip to contract a sleeper bus, we have decided to offer Beaver Creek as a fly up/drive up trip on your own. Lodging is reserved at the Seasons at Avon Condominiums, featuring a number of two bedroom condos within an easy walk of the brand new gondola from Avon to the Beaver Creek base area. Three nights lodging (March 5th, 6th, and 7th) have been reserved. The new land-only cost per person is \$299. Early March is a great time to ski the Vail/Beaver Creek area. Great snow and moderate temperatures.

For a great Winter experience for skiers and non-skiers alike, we have **three more spaces** available for Heavenly at South Lake Tahoe. This world famous ski and fun destination offers a variety of terrain, beautiful snowboarding and skiing overlooking Lake Tahoe. Join your friends in this Winter Wonderland for four full ski days and five glorious nights in two bedroom condos next to the gondola and casinos. Be sure to call Trip Captain **Phil Wiltfong** at 693-1397 ASAP.

As Winter winds down and the daffodils push upward, we look to après ski activities of sun and fun. On Saturday, May 16th the Tulsa Ski Club sets sail for the Western Caribbean. All aboard the *Carnival Ecstasy* from Galveston, TX for five days and five nights of warm sun and Caribbean waters. Get an early tan and enjoy excellent cuisine and entertainment with your friends. We are holding only 20 cabins and the price of \$570 per person includes all onboard meals and entertainment, taxes, port charges, and gratuities! Sign up today and call **Evan Elsberry** at 406-6831.

Tell your friends to join us now for a variety of activities and travel in 2009.

Trip Parking Directions

Keystone

By Gary Buscombe

Keystone skiers braved minus 13 degree temperatures the first day on the slopes. The temperature, coupled with a long bus ride to Colorado on December 26, made the sleepy 32-person ski group anxious to hit the showers and bed early in the evening the next day. Party people on the trip did manage, however, to find the "get acquainted" wine and cheese party at the hotel. **Terri Lewis** and **Alma Buscombe** stayed off the slopes and, after a day

of bargain shopping together, set up the room with bowls of hummus, crackers, smoked sausage, cheeses, red and white wine, and assorted drinks. Each day the weather improved...by the last day many of the Tulsa Ski Club members were not even wearing their parkas or ski jackets.

Trip Captain **Gary Buscombe** arranged to use the Kincaid bus each day to shuttle skiers to the slopes from Silverthorne because the local transit busses took almost an hour to wind their way through towns enroute to

Keystone Resort just seven miles away. A special assessment was collected from skiers to cover the a d d e d transportation costs. The bus was driven by ski club member **Gerald Bradley**, who was a very personable and safe driver.

On the slopes, **Jim Constantine** once again took Nastar gold medals with his winning times through the gates. **Matt M o s s** e n j o y e d getting away from the big crowds at D e r c u m Mountain and getting to North Peak

and the Outback, skiing some blue and an occasional black run. "I liked getting **Donna Fletcher** to ski a black run with me...I just hope she forgives me!" Asked about the worst part of the trip, **Moss** said "the first lift ride...it was COLD! It stopped for 15 minutes halfway up and we were miserable." **Marty Peters** had great time skiing and visiting with other members and felt a need to apologize for talking everyone's ears off. **Jay Menger**, son **David** and daughter **Elizabeth** also had a super time and are "ready to do it again." **Mark**

and **Julie Streapy** and daughter **Sara** as well as Kansans **Jack Leake** and son **Austin** skied each day and also enjoyed getting to know other Tulsa Ski Club members. A few Arkansas skiers joined the trip this year; the group welcomed **Doug** and **Tracy George**, **Jacqui** and **Kendall Dix**, and **Michael Steenbergen**. And **Kai Haswell** from St. Louis finally met up with us and friend **Ashton Williams** after a delayed arrival due to heavy snow on his highway route. The pair

First-timers **Guy** and **Tammy Yoes** and daughter **Kacera** added a special treat to the week—snowmobiling! They put together on their own an exciting wilderness snowmobiling adventure through an outfitter north of Silverthorne near Green Canyon Reservoir. There were 15 participants riding 10 high-powered Polaris snowmobiles, complete with provided snowsuits, boots, and helmets. They toured the backcountry along narrow ridge trails as well as raced one another around a huge

ventured to Breck one day on the local shuttle to snowboard and came back all smiles. The **Albertson Family** – **Glenn**, **Delonna** and **Mike** – and friend **Brian Brown** skied the slopes hard all week and thoroughly enjoyed their vacation together. **Lindsey Guffrey**, a newcomer to the club, shared a room at La Quinta with veteran member **Regina Mullings** and both had a great week of skiing.

oval in a flat meadow. Hot chocolate was served in a tent nearby. **Ron Lewis** should have been a race car driver...he has no fear of speed, tearing around the track at speeds over 50 miles per hour, snow flying everywhere at each skidding turn of the track.

Crested Butte

February 12-17, 2009

Cost: \$438

4 ski days

3 nights at The Chateau

4 days of skiing at Crested Butte. It's a great mountain with a variety of terrain. The tree runs are fun, and the left side of the mountain features some very challenging double-diamond terrain. Lots of great restaurants and entertainment, both at the mountain base and in town.

Pyramid shaped Mt. Crested Butte rises above Crested Butte, the last of the Colorado hippie ski towns. The lower front of the mountain is mostly beginner and intermediate terrain, while the cliff riddles bowls and faces on the back side, known as the North Face, test even the most talented skiers. The pretty Victorian mining town has excellent shopping and dining.
