Vail is a big mountain that features a wide variety of ski terrain. Great shopping in the village. With nearly 150 trails wrapped around three expensive residential enclaves, this is the country club of Colorado skiing. People who own here can afford the very best, and they get it. Manicured slopes, dining on the slope and even escalators from one village level to the other. Vail is world famous for shopping and dining.

President's Column

By Bruce Dawson

Happy New Year to all of you involved in the Tulsa Ski Club.

As 2009 rolls in, the excitement level goes up for this year's Winter Trips. Trips are filling up nicely and we still have a few spaces left for Tulsa Ski Club's best value of the year, the Flatlands Ski Trip to Copper Mountain. Combine the dinners that are provided with a complimentary variety of sponsored beers, great party atmosphere, and fun, friendly competition, and you have a formula for the greatest value of the year. Super low lift ticket prices and deluxe two bedroom condominiums make this year's trip to Copper Mountain a real blast. We are taking two sleeper buses, and we're planning to defend our number one ranking in the Flatlands Ski Association. Join us at the end of January, and be part of what we hope will be our first "three-peat".

Those of us who came to this year's Holiday Party really had a great time. Special thanks to all who assisted **Chuck Harrington** with the planning of the party.

Membership levels for the Club are in the 600 range with new members being added monthly based on data from **Phil Wiltfong**. Now is a great time to invite your friends to join us for an upcoming Winter Trip or another Ski Club function.

Two great options for skiing under high season with great snow conditions are at Beaver Creek and at Heavenly at Lake Tahoe. These early March trips will offer some of the best snow and Ski Club atmosphere available. Be sure to check with Trip Captain **Bill Millis** to sign up for Beaver Creek or Trip Captain **Phil Wiltfong** for Lake Tahoe.

I would also like to take the opportunity to mention a terrific upcoming Spring Trip that Summer Trip Chair **Evan Elsberry** is helping to plan. We have reserved 20 cabins aboard Carnival Cruise Lines Ecstasy sailing the Western Caribbean from Galveston, TX on Saturday, May 16th and returning to port Thursday morning, May 21st. Be sure to contact either **Evan** or myself for all of the details.

Let's have a great year of skiing, snowboarding and other activities together.

Let It Snow, Let It Snow – 2008 Holiday Dance

By Chuck Harrington

Ken Gowriluk, a Grill Master extraordinaire, prepared the 30 pounds of excellent grilled Pork Loin accompanied by potatoes from Hebert's Specialty Meats. **Barb Constantine**

Thankfully, the 2008 Tulsa Ski Club Holiday Dance theme did not extend to the weather outside, only to the décor of the party hall. 65 TSC members and guests arrived in their finest party attire to kick off the holiday season by dancing the night away while enjoying a sumptuous buffet and the good cheer of friends. Special thanks to **Gay Sanwick** for developing the dance theme and providing centerpieces and decorations. Thanks also to **Anita Greiner** for the loan of the snowmen that were the table centerpieces for this year's event.

baked a variety of holiday cookies, which disappeared from the serving dishes faster than in-laws after a holiday dinner. Our holiday buffet was rounded out with chilled shrimp, cheese and cracker

The Palacio Party Hall was transformed into a festive holiday atmosphere by the artistic and organizational expertise of **JoAnn Huber** and the decorating and set-up crew of **Jim and Gay Sanwick, John Hill** and **Anita Maggio, Pat Elsberry, Jim** and **Barb Constantine**. **JoAnn** also purchased the liquor, meat, mixers, wrapped the door prizes and kept yours truly focused on what was important to make the Holiday Dance the success it was.

platters and mixed veggie trays.

We had a cash bar with a wide variety of liquors and mixes. Our fantastic bartenders, **Kristin Huber** and **Bonnie Childers**, prepared excellent cocktails for us and served wine, beer and soft drinks, all dispensed with good cheer and humor.

The wide variety of music provided by

the Miles Christi Rock and Blues Review band kept everyone "rockin" and "boppin" all night. The dance floor always seemed full, and we even had an impromptu dance contest, where several club members really got to rockin' out. **Bill Millis** was observed "gettin' down" with the music on at least one occasion, though several of us wondered if he would be able to get out of bed on Sunday morning. That's why they make ibuprofen! I received numerous compliments on the quality of the band and their excellent play list.

Several door prizes were awarded throughout the evening, including baskets with wine glasses and wine, a holiday basket with coffee mugs and flavored coffee, and a wrapped holiday pillow. Only those who signed up for the dance in advance were eligible for the drawing.

Sharon Polliard won the "Mystery Contest" bottle of champagne by getting all the answers to the "Know your Ski Club and Other

Stuff" questions. **Pat Elsberry** came in a close second, only missing half a question.

One of the highlights of the evening was the announcement of the ski club's 2007-2008 race chair **Josh Watts'** engagement. Congratulations, **Josh** and **Jess!**

Thanks again to **Barb Constantine** who was our photographer and supplied the candid shots of TSC members

enjoying themselves.

As usual, several club members stayed after the dance to help with the clean up duties. I can't thank these members enough. **Gwen and Don Remack, Jim and Barb Constantine, Ken Gowriluk** and **JoAnn Huber, Bonnie Childers, Kristin Huber,** and especially **Scott Jones**, who did an outstanding job ensuring the Palacio was cleaner than we found it.

Once again, the generosity and camaraderie of the Tulsa Ski Club members shows why we are

considered the number one ski club in the Flatlands Ski Association.

4 days of skiing at Crested Butte. It's a great mountain with a variety of terrain. The green slopes are fun, and the left side of the mountain features some very challenging double diamond terrain. Lots of great restaurants and entertainment, both at the mountain base and in town.

Pyramid shaped Mt. Crested Butte looms over Crested Butte, the last of the Colorado Hopper ski towns. The lower front of the mountain is mostly beginning and intermediate terrain, while the cliff needles bowl and faces on the back side, known as the North Face, test even the most talented skiers. The pretty Victorian mining town has excellent shopping and dining.
