GREETING SKI CLUB MEMBERS!!!

I think I mentioned before that we are without a social chairperson this year. Several people on the board and in the club have taken on the job and have come up with some ideas for the next several months. These events will be broadcast through our email blasts, and also we will try and publish the information in our newsletter. Summer passes quickly, so don't lose touch. We try to stay in touch and plan things that include all ages.

Dick Watts is working on a Tulsa Driller's baseball game. One option is a "Family Night" that is very affordable which includes general admission seating along with some refreshments. A family of four should be able to attend for about \$20. The second option is a little more expensive, and we need at least 20 people for it. It includes a meal, drinks, and reserved seating; the price is about \$30 per person. Watch for the details, and try to join us.

JoAnn Huber and Ken Gowriluk have announced a summer pool party at their home on July 20th from 3pm-7pm. The price, which includes the main course and non-alcoholic drinks, is \$5 per person (ages 12 and under are free). Everyone is encouraged to bring a side dish and BYOL. This is a family friendly event, and everyone is welcome. JoAnn and Ken are great at hosting this kind event, and it will be fun for all ages. An email blast has already gone out with the details.

Chuck Harrington is pursuing details for a Grand Lake dinner cruise. There are a couple options and once Chuck has gotten some more information we'll report back. This is being planned for late summer or early fall.

The Elsberry's are still planning a float trip on the Illinois River that is family friendly. There is still room available. Call Gene at 918-691-0370 for details.

At the June general meeting we started something a little different to change things up. We had \$1 hotdogs with chili and condiments. Robert Foster was in charge of the grilling process, and JoAnn Huber dressed up the meal with two great salads. Everyone seemed to enjoy this, so we have decided to do it again in July. Remember the meeting is always the 2nd Tuesday of the month and is held at the Shriner's Hall located at 30th & Sheridan.

The winter trip schedule is nearing completion. Robert Foster has been working hard to meet the deadline for the announcement of the trips. Pricing is looking really good for the trips, and the group discounts for lift tickets and ski rental are also very attractive. Watch for information with the details and prices later this summer.

Remember to watch your email for information on all the above.

“River Shenanigans” Adult Canoe Trip Sponsored by Kansas City Ski Club (KCSC), June 7-9, 2013

By Toni Hatfield, 2013-2014 Summer Trips Chair

Kansas City Ski Club Annual Adult Only Float Trip on the Elk River in Noel, Missouri began on Friday June 7th with everyone arriving in Noel at River Ranch Campground (Arrive ALIVE is how KCSC

worded the first step of our adventure, and we did just that). Approximately 40 people unloaded their gear on the banks of the Elk River, representing TSC, KCSC, and also new this year, Columbia Ski Club.

Tulsa Ski Club had 12 Members attend this year: Carol Anderson, Gregg Hoff, Linda Stubbs, Laurie McKelvey, Kathy Gelbert/Helbert, Evan Elsberry, Todd Goodson, Gene Elsberry, Rusty Wilson, Teresa Bacon/Wilson, Trey Sophy, and Toni Hatfield – great representation of wild and crazy Tulsa folks.

Friday night started with relaxing and socializing around the campground and cabins, with Teresa Bacon doing her typical thoughtful thing, sharing

some matching beautiful leather and pearl necklaces she bought for the girls (and we of course broke into song on that one)... then progressed to a Taco Buffet that KCSC put

together for everyone (yummy), only one burnt Taco Shell from cooking in the toaster oven (we won't mention any names here), and games, including the Beanie Baby Toss that was very entertaining and competitive. After the games we continued to socialize and hung around the campfire toasting marshmallows for s'mores (thanks for bringing the prepared graham crackers with

chocolate, Kathy – what a great idea).

Saturday morning started with a hearty breakfast of COFFEE, eggs, meat, biscuits and gravy, hash browns, and

more COFFEE at River Ranch (once again prepared by my Junior High and High School Track Coach Lee Paul). KCSC put together delicious lunch packs for us, and we each grabbed one before loading the bus at

10:30 to pick up our canoes and rafts. We boarded the bus and were dropped off between Noel and Pineville to begin our 8 mile float. After getting our gear loaded on our

floatation devices, we were all headed down the river towards Noel.

First, the FLOAT! The river was the best I have EVER seen it, and I grew up in Noel. There was no stopping and pulling, just a leisurely float the entire day (and we pulled in at 7pm so you know we did not rush the 8 miles). It was leisurely aside from when Evan, Gene and Todd had to save some folks who flipped their canoe twice in the same spot under Tressle Bridge. Way to go, guys!! This was a serious deal with first time canoers who were terrified and panicking. Our guys jumped right in to help out. Typical of our TSC folks. Ah... float stories... lots of stories on the actual float... One I can share (as most of what happens on the river) is where Carol Anderson was toting her

trusty water guzzle gun and shooting at people floating by while we were stopped (which was most of the day) and they shouted "There's that GIRL again"... ha ha... they were watching for Carol... you go girl... I wish someone would call me a GIRL again! I also heard stories of a couple of guys from KCSC that flipped their canoe like 4 times... yikes!

We arrived back from the float and had a wonderful BBQ dinner in the Pavilion, which has become

tradition for the after- float meal and is very nice to have it waiting for us. Saturday night is typically

low key and proved to be once again as folks hung out at the campfire, treated sunburns, and this year we had a bit of excitement as we watched for what we thought might be

thunderstorms headed our way. (Motorcycles were tucked away under the cabin overhangs and it worked out perfectly).

After a light sprinkling on Sunday morning, we were up and packed our tent and headed up for breakfast with my Mom and Dad who still live in Noel. It started raining while we were up there, so I am glad most of our group were in cabins, and I hope the tents were all down and packed in the cars by the time the pouring rain started.

what you want to drink, but KCSC provided a ton of beer and margaritas as well. This is a wonderful trip that is put on by a ton of hard work by KCSC, and I hope to see more TSC members attending next year. KCSC has told us it just would not be the same without the TSC members attendance. If you want to know more about the trip, just let me know. Thank you so much.

Breakfast at River Ranch is included on Sunday morning as well, so this really is a great deal, and you should consider going next year. All you have to bring in the way of food is snacks for the river and

Friends Are Family - Forever

On behalf of Andy Freeberg, long time member of the Tulsa Ski Club, relating to the passing of his wife on May 29th

Life is a Magical Journey, full of surprises, excitement, happiness and sorrow. Learning to share with family and friends is a great experience. Sometimes magical like a Houdini Act - Now you see it and now you don't! But unlike a Houdini Act, friends are never forgotten. All of the good times and experiences are in our thoughts as we continue our own journey. On May 29, Bobbie Freeberg passed on to a New Journey - now Dancing with the Stars of Heaven - with all of her friends who preceded her. "Friends are Family - Forever"
