Lake Party

IT'S SUMMERTIME!

What does the Tulsa Ski club do when it's summer? We go to the LAKE! Our annual Lake Party will be July 19th at Ft. Gibson Lake.

Bring your friends, bring your boat, bring your jet ski, bring your sunscreen, BYOB, bring your lunch! Come to the Rainbow Lake Club shelter around 1:00, and we will have a pot luck around 1:30; so bring enough to share. There will be games, lake activities, friends, and fun. The Tulsa Ski Club Lake Party is our opportunity to show our friends how great we are!

If you want to stay at the lake, check out Western Hills (918) 772-2545 or The Indian Lodge at (918) 485-3184. The Indian Lodge is closer to the location of the party and is very reasonable, \$55 to \$100 per night. You can also camp at the lake or Sequoyah State Park.

It's a TSC Lake Party, come play with us!

(Map with directions can be found on page 5.)

President's Column

By Robert Foster

The summer season is finally here, and many of us will be vacationing and traveling. Darla and I are heading to Florida for a little down time ourselves.

July is our Ski Club lake party at Ft. Gibson Lake. This event has been a long-time summer tradition with the Ski Club. Although we have missed this event for a couple of years, this year's picnic will be a great time to see old friends and make new ones. Please remember this is a free event. The Club has rented a shelter, so bring your own drinks and a potluck dish to share. Gary and Helen Cheatham will be there to help host the afternoon, and a few members are bringing their boats.

The General Meeting in July is at the Akdar Shrine building on Sheridan. We will be serving up some patriotic hamburgers and hot dogs, so bring your appetite, a friend, and your vacation stories to share.

In the past couple of months I've mentioned that we're looking at improving services to our members with a user-friendly, interactive website that provides more information and tools to members than ever before – including an opt-in, password protected membership directory; secure, online payment systems for membership dues and trip payments; and classified ads from members for members. The website will also automate much of the demanding manual work now done by volunteers including board members. More information to come, but we hope to have this active well before our September 1 sign-up picnic.

2015 Flatlands Trip

Plans are still in the works for next winter's ski trips. Dates and destinations will be featured in next month's newsletter.

One trip that is confirmed is, of course, the annual Flatlands Ski Association trip. The trip this year is January 27, 2015, to February 2, 2015. The destination is a club favorite: Crested Butte, a beautiful resort and fun ski town!

Be sure to attend the annual ski trip sign-up picnic on September 19, 1-4 pm at the Akdar Shrine, 28th and Sheridan in Tulsa.

Membership Report

By Chuck Harrington

Please welcome the following new members to the Tulsa Ski Club:

Shantana Nelson - Tulsa

Jack McDonald - Tulsa

The Tulsa Ski Club's annual membership renewal period begins May 1 for the 2014-2015 club year.

If your personal information (including your email address) needs to be updated in our membership records, please contact me via email at redbud@webzone.net or by phone at 918-381-1345.

You must be an active member to sign up for a ski club sponsored trip. Club members must have a signed application form on file with the club each year even if no information has changed.

The club membership year runs May 1 to April 30. It's easy; go to the Ski Club website www.tulsaskiclub.com, choose "Join" from the menu, select the membership application, fill it out online, print it, and mail it in to PO Box 702121, Tulsa, OK 74170.

Email Distribution (Blast) Notes

Some members have reported that they are no longer receiving email notices even though their email has not changed. If you are one of these individuals, you might check your spam folder to see if it is being blocked. If this is the case, try adding Tulsa Ski Club to your allowed email list. If you are still not getting your email notices, it may be that your Internet Service Provider (ISP) is blocking your email blasts from the Tulsa Ski Club. You are the only one who can request a change to your account. So if you are on Cox, AOL, ATT, or some other ISP, and you have suddenly quit getting emails from us, then you will need to contact them or manage your account online to allow emails from Tulsa Ski Club to come through to your inbox. Each provider has their own way of doing this, so contact them. Our current blast software provider is not blocking your email addresses.

Meetup - A Networking Website TSC Has Joined

Tulsa Ski Club has joined a new social networking website called Meetup. The website is located at meetup.com.

Although the club has paid a fee to have the group networking page available for people with interests in outdoors, skiing, snowboarding, and social activity to join, it is FREE for an individual to join Meetup! We encourage folks to go to the TSC website and fill out an application to join our club, or to attend a meeting or other event that we will post on Meetup.

Some of our other local ski clubs such as KC and OKC have also set up Meetup pages and have reported this to be a way they have attracted new members who may not have otherwise known about the ski club. Check it out for yourself, and join TSC on Meetup.

If you have problems finding TSC, please email Chuck Harrington at redbud@webzone.net. We'll be posting all our trips and meetings out there for the members of Meetup to see.
