President's Column

By Terry Gordon

The Beginning of Summer

We are approaching the start of summer, Memorial weekend has passed, and we've put another ski season behind us. Robert Foster has already begun the process of putting the trips together for the 2013-2014 ski season. He has scheduled some trips to include the traditional holiday periods: Christmas, MLK, President's weekend, and Spring Break. The other trips that don't include holiday weekends will be the Flatland's trip to Steamboat Springs, Taos, and a fly-out trip with a destination yet to be determined. This will give the club seven trips for the upcoming ski season. Booking trips on the holiday weekends does make trips a little more expensive due to the demand of those time periods; however, those trips should be priced at \$450 or less per person. We feel that these times also allow families and members to take advantage of the extra time off. Prices for trips add up quickly, so take advantage of the club trips with great group discounts on lift tickets and ski rentals, with a great savings of 40%-50% off the non-club price. The trip schedule will be announced by the end of June once prices and locations are firmed up.

The board has formed several committees to plan some events for this summer. We have realized that members are busy during these months, and

we hope you may include us in your plans. The things we can look forward to are a Driller's game, a Father's Day Float Trip, a dinner cruise on the Cherokee Queen, and a possible pool party. Watch your email and newsletter for information.

I would also like to salute the number of people that work behind the scenes of our club. Members should realize that these things do not just happen. Many hours go into planning trips, events and attending board meetings. These volunteers do their best to create opportunities for us to gather, ski and chat with people we now call friends.

Please try to watch for our notices and publications; we're working to get this information to you so that you can make plans to join us. Remember to bring a friend as well and tell people about our club. Word of mouth advertising by our members is the best way to let people know about us and grow our membership.
