## BRECKENRIDGE

**January 10-14, 2008**

Cost: \$348

4 ski days

3 nights at Pine Ridge Condos

Back by popular demand and just across the street from the lifts and the heart of the base area. Breckenridge is an authentic 136 year old mining town. Its four peaks are flat on the fronts and steep on the sides. The runs spread down to the broad face of 10 Mile Range with miles of green circle comfort skiing below and over 700 acres of open bowls and steeps above the timberline. The broad tree lined runs are great for beginners as well as all level of skiers. In town, there are boardwalks, brightly painted Victorian homes, boutiques, restaurants, galleries and nightspots by the hundreds. Our two bedroom, two bath condos give ski-in, ski-out convenience on the Four O'clock ski run.

## President's Column

By Jim Constantine

### PURPOSE OF TULSA SKI CLUB

As I see it, the purpose of Tulsa Ski Club is to provide ski opportunities and create interest in snow skiing. We also organize other social and recreational events.

We are trying to reach people and families interested in fun opportunities to learn and improve their snow skiing. The club is not solely for advanced skiers.

TSC was chartered for those purposes by IRS in 1963. We are a non-profit corporation, but we have corporate operating expenses. Our trips are priced to break even with those expenses.

To accomplish our mission, we provide Kincaid buses because their 'booth and bunk' system is the best. They have tables in each booth for games, reading, or socializing. These sleeper buses save daytime hours as they drive through the night after bunks are in place.

Other charter sleeper buses do not have tables, and all seats face forward like an airplane. On these other buses, the aisles seem narrower because of the chair uprights. If you're in the aisle it's hard to visit someone without your butt being in someone else's face. So, Kincaid's arrangement makes everybody happier. Plus, with Kincaid, we can look forward to newly patented bunks later this ski season.

Please join us for some ski trips this winter. We're signing up right now.

## Ski Swap Coming Soon!

Ski Swap 6 pm at the Elks Club, November 13 immediately before the Ski Club general meeting. Bring your old ski equipment, diving equipment, sports clothing or equipment of any kind to sell, trade or barter. Each individual is responsible for setting up, pricing, selling and removing any items. We may have retail stores join us for this event as well. Empty your closets, fill your wallets, go skiing!

## Oktoberfest Memorial Bench

Dean Gildersleeve's name has been added to the Oktoberfest Memorial Bench. Dean has been a long time volunteer for Tulsa Ski Club and for Oktoberfest. The bench will be at the Festival. Dean passed away in a boating accident on Lake Skiatook on July 28th.

If you are interested in banding with other Tulsa skiers who are interested in Cross Country Pleasure skiing on any one of our regular ski trips, please notify us of your interest immediately. The ski trips are filling up right now.

Most resorts have flat cross country trails set aside for your pleasure.

Call Nancy Brahn 494-2643 or Jim Constantine 749-0976.

## Ski Chile, South America

Anyone who may be interested in a ski trip summer 2008 to Chile, please let us know immediately. We are trying to determine interest in advance, before formal plans are made.

If you have any interest at all, or have knowledge, please call with your opinion.

Jim Constantine 749-0976

## Sporting Clay Shotgun Event Combined with Side Trip to Fabulous Sandstone Gardens

We are trying to determine interest in traveling to SE Kansas for Clay Pigeon shoot. Claythorne Lodge is offering Sporting Clays, Skeet, and 5-Stand shoots. We will provide rudimentary instruction to beginners, including dependents, or spouses.

Combined with that, we propose a day trip to sw Joplin (30 minute drive) to the new SandStone Gardens, a huge, wonderful outdoor store featuring large and small statuary, plants, and gardens. They also serve lunch on premises.

This could be planned as a one day trip, but several have mentioned interest in overnight cabins or tent camping, with a big country breakfast before returning to Tulsa. If there is interest in overnight, it would include an afternoon Happy Hour, Brisquet dinner, and a dance or social evening.

Most likely will be held on a Sat/Sun in May/early June, 2008. Carpooling for the two hour drive from Tulsa has been suggested, to save bus costs.

Any ideas, opinions, and your interest is requested so we may know how to best plan this event. To express interest or ideas please call immediately. Costs will be moderate, depending on activities individually chosen.

# Annual Sign-up Picnic

"We are fam-i-ly... I got all my sisters with me..." Isn't that a line from an old song?

WOW!! In case you missed it, the Sign-up Picnic was a great success! 170 people attended, and both members and guests had fun meeting old and new friends, eating hotdogs, homemade salads and baked beans. Laughter and good-natured bantering filled the room similar to a family reunion. People were overheard swapping a few tall tales and making plans for joint travel. "Ski Bucks" were won by **Trey Sophy, Megan Hegenbart, Barb Constantine, and Stacy Huckabee.** 206 trip reservations were made for winter season 2007-8. Many trips are near full. Breckenridge has the most space left, but everything is filling quickly. Sign-up now! A great ski season is about to begin. Join the family!

The success of this picnic was due to the large numbers of volunteers. Food was donated by **Barb Constantine, Jeanean Doherty, Dana Gray, Terri Lewis, Pat**

**Elsberry, Sharon Polliard, Lowell Whitlock, Barb DeLosier, Shelley Wiltfong, Sunni Wager, Linda Russell, Tess Huber, Shirley Crane, JoAnn Huber, Lance Agnew, Matt Moss,** and all that wonderful chili was made by **Gay Sanwick** – all 60 pounds of it!! Many of these same people helped set up, clean up, run errands, and serve the food. New member **Beverly Patterson** also jumped in to help serve food and in that way got to meet some of the old members.

**Robert and Darla Foster** greeted people and signed them in at the door. Trip sign-ups and set-ups were staffed by volunteers **Ruth Obermark, Anita Griener, Elaine Simpson, Bruce Dawson, Ken Gowriluk** and the 12 captains for trips of the coming year. **Bill Wright** and **Gary Cheatham** assisted in signing folks up for planned summer/fall events. **Jim Constantine** is a wonderful example of how to move through a room and be welcoming to all.

At the end of the day about a dozen members jumped up to take down tables and stack chairs, taking an extra step to be good neighbors to the Elks Lodge that consistently treats us so well. Tulsa Ski Club runs on the energy of its members who volunteer in so many capacities. Remember to thank them!!

## Vail / Beaver Creek, CO

January 17-22, 2008

Cost: \$387

4 ski days

3 nights at Vail Racquet Club

Gondola from the top of the mountain. The Vail Racquet Club is a nice place if you haven't been to it. It's not cool.

Vail is a big mountain that has a variety of ski terrain. Great shopping. The Vail area has nearly 150 trails wrapped around the mountain. In the Presidential enclaves, this is the best place for alpine skiing. People who own here get the very best, and they get it. Manicured slopes on the slope and even escalators from one village level to the other. Vail is world famous for shopping and dining.

## Crested Butte

February 14-19, 2008

Cost: \$399

4 ski days

3 nights at The Chateau and Three Seasons Condos

4 days of skiing at Crested Butte. It's a great mountain with a variety of terrain. The green slopes are fun, and the left side of the mountain features some very challenging double-diamond terrain. Lots of great restaurants and entertainment, both at the mountain base and in town.

Pyramid shaped Mt. Crested Butte looms over Crested Butte, the last of the Colorado hippie ski towns. The lower front of the mountain is mostly beginning and intermediate terrain, while the cliff riddles bowls and faces on the back side, known as the North Face, test even the most talented skiers. The pretty Victorian mining town has excellent shopping and dining.

# Extended SNO – A Winner of a Good Time!

80 plus people of all ages enjoyed swimming, games and wonderful food in the Luau-decorated back yard of JoAnn

**Huber and Ken Gowriluk.** Crowds gathered at the real bamboo Tiki Bar decorated with lights and flowers. A keg of beer always draws a crowd, and brightly decorated food tables invited indulgence. Horseshoes, Washers and Croquet games were available as well as the large pool enjoyed by guests of all ages. Kids ages 4 to 66 went wild with water guns

and wet sponge balls. Being too close to the pool was a dangerous place if you had plans to stay dry!!!

Adults and kids tried out the stilts. **Blake Gowriluk** won the stilt race held for the 13yo and under crowd, and although no prize was given for adult racers, **Dennis**

**Holt** showed great speed and talent! Names were drawn for door prizes for adults, and all kids in attendance received a door prize just for showing up and joining in the fun! Hawaiian dancers **Raymond Kelly** and **Don Wickersham** entertained us with their grass skirts and smooth moves. **Darla Foster** and **Kim Macy** also look stunning in grass skirts. One person was overheard saying "There were mini parties all over the yard" as people chatted with old friends and welcomed guests and

members that had not been seen in a while.

Thanks to **Jim and Gay Sanwick, Jan and Sharon Polliard, Jeanne and Bob Doherty, Jim Constantine** for help with decorations, set up and to all other helpers too many to mention.

Mark your calendars now for the next Ski Club events. We have fun together!!

Don Woolsey is the most experienced trip captain in the ski club. Make up your mind about Michael's when you go.

3 ski days on a great snow mountain. No snowboarders! Just classic alpine skiing on stunning Taos Ski Valley. Taos' Southwestern hospitality and the area's high altitude, steepness and northern exposure combine to rival A-Basin, Snowbird and Mammoth. Don't be intimidated; beginners and intermediates will just fine because Taos always has a soft snowfall and dry powder. The ski area has a variety of sheer valleys facing every compass position. Taos Ski School is often rated the best in the country where lessons are fun as well as instructive.
