President's Column

By Bruce Dawson

Last year was a great ski year, and the response to our Winter Trip schedule was excellent. This year's Winter Trip schedule looks to be even better, and the response at the September Sign-up Picnic was extremely high. Over 50% of the available seats for all of our trips were taken by those who signed up on September 14th. Now is the time to take advantage of some of the best skiing and snowboarding destinations anywhere. Specifically, as we fill the seats for our fly out trips to Sun Valley, Whistler/Blackcomb, and Lake Tahoe, we know we must commit early because of the nature of the airline industry and its pricing. Be sure to contact the appropriate Trip Captain for each of these fly out trips to reserve your space with a 1/3 trip cost deposit. Seats are limited on these trips.

Another great opportunity for the best in camaraderie, team spirit, and overall ski experience is our annual Flatlands trip in late January. This year's event, to be held at Copper Mountain, gives the overall best value of any of our Winter Trips. Four nights deluxe lodging near the town center, three nights of dinner with a party atmosphere, and friendly competition with eight other ski clubs makes this trip an annual favorite. Tulsa Ski Club is defending a two-years-in-a-row winning streak and expects to go on to defend the title again this year. Two buses are going from Tulsa to Copper; one is already full. Be sure to contact either **Anita Greiner** or **Evan Elsberry** to hold your space.

TSC wants to express their gratitude to **Brian Flickinger**, National Sales Manager of **Vail Resorts**, for their sponsorship of our Winter Trip Sign-up Picnic and advertising in this year's Skimeister, as well as helping our Vail Resorts Trip Captains. Also, as a result of our participation in the prestigious *White Carpet Club*, we were awarded a complimentary season pass to all of the Vail Resorts known as the "EPIC Pass". The "EPIC Pass" was given away in a drawing for those who signed up for any of the Vail Resort trips (Keystone, Beaver Creek, Heavenly Valley). The "EPIC Pass" has a value of \$579. The winner of the drawing was **Bonnie Heath**, soon-to-be wife of **David Warne**. **Bonnie** will receive the ski pass in her new married name and be able to ski free this season at any of the five Vail Resorts.

Special thanks goes out to all who helped put the annual Sign-up Picnic together beginning with Social Director **Chuck Harrington** and ski club volunteers **Ken Gowriluk**, **JoAnn Huber** and **Kristin Huber**. Of course, the Winter Trip Captains, who presented their ski trip displays, worked hard and will be rewarded for their efforts. Also, thank you to all who brought food for the picnic.

We look forward to another fantastic ski and snowboard year. If you haven't signed up yet for any of the trips, please do so right away. See you at the October General Meeting.

Thank You...

... to **Vail Resorts** and **Brian Flickinger** for the Epic Pass and coming to Tulsa for our meeting.

... to **The Local Table** for the appetizers they donated to us along with the special prix fix menu the owner, Tuck, provided for us. It was a hit, and we'll be sure to come back!

TSC Bicycle Rides on Riverside Trails

We're still riding weekly. We start and finish at River's Edge near 19th and Riverside and have some liquid refreshments afterwards. We've started out riding approximately 11 miles and may increase as time goes on. If you don't feel you can ride 11 miles, there are places along the way you can stop and wait for our return, or you can turn around at anytime and we will meet you back at River's Edge. If you would like to ride further, you can come out early and meet up with us at River's Edge at 6:30pm, or ride further during or after we finish. If you can't find room to park at 19th, there are also parking lots located at 17th and 31st and Riverside.

Helmets and water bottles are suggested. The more the merrier, so feel free to invite your friends. Ride organizers are Janice Hiatt (cell 812-5887 or e-mail jkhiatt2@juno.com) and Kelley Phillips (cell 812-8860 or e-mail kelley23@cox.net). **Please contact Janice or Kelley if you plan to join us so we will be sure to wait for you.** Kelley plans to arrive at the River West Festival parking lot (17th & Jackson across from the Rowing Club building) in time to leave at 6:00pm, then ride around to River's Edge to get a few extra miles in. If you would like to meet up for the extra miles, please let Kelley know.

MS 150 Bike Ride

Tulsa Ski Club is a group of people who like to ski, have fun and socialize. Within the Ski Club, there is also a spirit of community service. For the past 8 years, Tulsa Ski Club provided a rest stop for the cyclists riding in the MS 150 Bike Ride. A core group started calling themselves the Sexy Ladies Under Tee Shirts. The name of the group is known among the bikers as the Cycle S.L.U.T.s. The purpose of the group is to soothe the aching cyclists with wet towels and provide water and refreshments. Just think about how tired a cyclist would be after riding 69 miles and having 12 more to go to the overnight rest stop. Then the biker sees a lady in a bikini, waving a towel and inviting the biker to stop and rest. Is this a mirage?? No, it is better than that. It is a Tulsa Ski Club "Cycle S.L.U.T.", dressed in a provocative but tasteful bikini print tee shirt. Plus the theme of the rest stop was 1964: The Beatles. How could a biker pass all this?

400 Kazoos and tying strings through the Kazoos so that the cyclists could wear the Kazoos around their neck and hum for the last 12 miles. **Fred** also helped with the set-up on the day of the ride and ran errands to pick up additional supplies. Helping **Barb** in being Cycle SLUTS were **JoAnn Huber, Marty Peters, Sharon Polliard, Becky Green** and **Terri Ellison**. There was even a Cycle Stud, **Wendell Hillhouse**, wearing a muscular speedo character tee shirt. **Wendell** was the star attraction for the lady bikers and **Wendell** graciously posed for lady bikers wanting a picture taken with him! Helping the bikers also were **Jan Polliard** and **Ken Gowriluk**. **Janice Hiatt** was the hero of the day. She brought a gallon of dill pickles. Apparently, dill pickles and pickle juice provides one of the fastest relief from muscle cramps. The pickles were consumed quickly! Yeah, **Janice!**

Special thanks to **Jim Sanwick** for picking up the tab for all the supplies that **Barb Delozier** picked up from Sam's Club. This is the third year in a row that **Jim** has been gracious to donate to the MS 150 Bike Ride.

This was the scene on Sept. 13 near Pryor on the MS 150 Bike Ride. **Barb Delozier** was the organizer for the event. **Barb** recruited husband **Fred** to do all the prep work, including drilling

Rain, Rain Go Away Tulsa Ski Club Needs To Play

By Chuck Harrington

After a drenching visit by Hurricane Ike, Sunday, September 14th was one of those flawless fall-like days with warm sunshine and mild temperatures. It was a perfect day for the Annual Tulsa Ski Club Winter Trip Sign-up Picnic. About 250 members and guests arrived to greet old

or the best you can hope for is to be on a waiting list.

The success of this year's Sign-up Picnic was due to many volunteers who didn't need to be asked but simply saw a need and pitched in to help. **Ken Gowriluk** and **JoAnn Huber** seemed to be everywhere. **JoAnn**, in addition to making the chili for this year's picnic, was the ramrod along with **Ken** in setting up the food service

Brian Flickinger from Vail Resorts flew in from Denver just for this event and answered questions about the Vail Resort ski resorts as well as drew the winner for a donated EPIC season pass to any of their ski resorts. **Bonnie Warne** won the coveted prize valued at \$597.

Phil Willfong, with his usual good-natured charm, greeted everyone at the door, signed up new members and renewed club membership for others.

Kristin Huber did a fantastic job selling chances for the 50/50 drawing. **Jack Adkisson** was this season's first winner. Look for a 50/50 drawing at each General Meeting during the ski season.

Bruce Dawson with James Brian Flickinger from Vail Resorts

204 members signed up for the various ski trips, and many more talked with the trip captains and received information about a ski trip. Although all the trips still have room, several are approaching their capacity. If you are still considering going on a particular trip, get your reservation in soon,

and eating tables. **Lowell Whitlock** cooked up a huge pot of some of the best beans this side of the Rio Grande. Everyone enjoyed the homemade salads provided by **Sunni Wagner, Paula Dawson, Janice Hiatt, Kelly Elsberry, Gay Sanwick, Susie Kelley, Kim Macy** and **Anita Greiner**.

Elaine Simpson, Ruth Obermark and **James Carpenter** did outstanding work in processing and recording the trip applications and payments. Past President **Jim Constantine**, in addition to filling for **Gene Elsberry** in the Snowmass booth, did his usual "bang-up" job of schmoozing with the members.

At the conclusion of the fun-filled day, many of the club members helped with the clean-up duties and again, none needed to be asked; they just did it. It is the generosity of the membership that

Crested Butte

4 ski days

3 nights at The Chateau

4 days of skiing at Crested Butte. It's a great mountain with a variety of terrain. The green slopes are fun, and the left side of the mountain features some very challenging double-diamond terrain. Lots of great restaurants and entertainment, both at the mountain base and in town.

Pyramid shaped Mt. Crested Butte looms over Crested Butte, the last of the Colorado hippie ski towns. The lower front of the mountain is mostly beginning and intermediate terrain, while the cliff riddles bowls and faces on the back side, known as the North Face, test even the most talented skiers. The pretty Victorian mining town has excellent shopping and dining.

Vail is a big mountain that features a wide variety of ski terrain. Great shopping in the village. With nearly 150 trails wrapped around three expensive residential enclaves, this is the country club of Colorado skiing. People who own here can afford the very best, and they get it. Manicured slopes, dining on the slope and even escalators from one village level to the other. Vail is world famous for shopping and dining.
