President's Column

By Bruce Dawson

It's that time of year again. The **Winter Trips Sign-up Picnic** is right around the corner. This year's picnic should be even bigger and better than last year's event. Our Winter Trip Chair **Georgenia Van Tuyl** has arranged a great slate of ski trips for the club this season, and we are looking forward to increased sign-up activity at the picnic. With three of our trips going to Vail Resorts Properties again this year, we will feature National Sales Manager **Brian Flickinger** as a guest speaker. Brian will represent the trips where we travel to Keystone, Heavenly Valley (Lake Tahoe) and Beaver Creek (Vail Valley). If you are interested in Copper Mountain/Flatlands, contact either of the Trip Chairs, **Evan Elsberry** or **Anita Greiner**. Remember, we are currently accepting applications for our three fly up trips prior to the Sign-up Picnic. Be sure to go online, download the trip applications for the trips where you have interest, and forward them to **James Carpenter** with 1/3 deposit to hold your space. As always, be sure to contact any of the trip captains to answer any questions concerning their trips.

The real fun is spending time at the picnic one-on-one with trip captains and other members of the Tulsa Ski Club who have been to these resorts in the past. But what's interesting is, there's always something new to discover, such as high speed quads or a new ski bowl area or snowboard park. Our annual picnic is a great time to bring one or more guests to a Ski Club function. Since the picnic is free for both members and guests, it lends itself to strolling by the various trip tables after enjoying a hotdog and drink on us.

Most of you have heard the expression, "man, I just had a major yard sale", referring to an unplanned fall while skiing, where hat, poles, skis, and goggles start sliding down the mountain. That type of yard sale is unplanned and unfortunate. However, **Anita Greiner** came up with the idea of having a large yard sale for Ski Club members that would benefit the Ski Club as a whole. Details are still being worked out. However, the date has been set for Saturday, November 8th with the location in mid-town Tulsa. Be sure to talk to Anita about items that can be donated for the yard sale and pick up a flyer at the Sign-up Picnic for more information and details. This could be a great way to get rid of a lot of "treasure" while benefitting your Ski Club financially.

Details are coming together finally for the European trip to Northern Italy set for April 18-28, 2009. There has been a lot of interest already in the trip, even though at press time, the final details about pricing and excursions are being worked out. If you have interest in joining us in April on this trip, please contact me or be sure to see me at the Sign-up Picnic. This trip will sell out fast based upon the level of interest so far.

See you at the picnic Sunday, September 14th at 1:00 PM.

Condolences

...to **Rick Hiskett** in the death of his mother **Opha Hiskett** in Tulsa.

TSC Garage Sale

Saturday, November 8, 2009

It's time to start Fall Cleaning! Donate items to our garage sale. Proceeds will go to the club. You may bring donated items to the September and October general meetings. If you have big ticket items, you may man your own table and donate a percentage (to be established). To arrange for drop off or pick up or questions call Anita at 492-7108.

Birthday Surprise

Events at the Tulsa Ski Club's August meeting included one big surprise – an impromptu celebration of **Gary Cheatham's** 70th birthday!

The observance of this solemn occasion included a birthday song from **Shelly Wiltfong**, home-made birthday cards written on paper napkins, and a tasty cake.

The picture tells the tale. Beer and birthday cake – what could be nicer?

TSC Bicycle Rides on Riverside Trails

Beginning Wednesday August 13th at 6:30pm some members of the summer bowling league have turned in their balls for bikes. If anyone else would like to join us, come on down. We will take a few minutes each week to get grouped up, and then take off for a leisurely ride. Helmets and water bottles are suggested. The more the merrier, so feel free to invite your friends.

We start and finish at River's Edge near 19th and Riverside and have some liquid refreshments afterwards. We started out the first week riding approximately 11 miles and may increase as time goes on. If you don't feel you can ride 11 miles the first time, there will be places along the way you can stop and wait for our return, or you can turn around at anytime and we will meet you back at River's Edge. If you would like to ride further, you can come out early and meet up with us at River's Edge at 6:30pm, or ride further during or after we finish. If you can't find room to park at 19th, there are also parking lots located at 17th and 31st and Riverside.

Ride organizers are Janice Hiatt (cell 812-5887 or e-mail jkhiatt2@juno.com) and Kelley Phillips (cell 812-8860 or e-mail kelley23@cox.net). **Please contact Janice or Kelley if you plan to join us so we will be sure to wait for you.**

Kelley plans to arrive at the River West Festival parking lot (17th & Jackson across from the Rowing Club building) in time to leave at 6:00pm, then ride around to River's Edge to get a few extra miles in. If you would like to meet up for the extra miles, please let Kelley know.

MS 150 Rest Stop

Tulsa Ski Club (a.k.a. Cycle S.L.U.T.S.) would be responsible for the last rest stop on the first day of the MS 150. The date has been changed to a week earlier; it is now on September 13. There is an entirely new route this year that will overnight on the Cherokee Casino property outside of Pryor. Our rest stop is located on a beautifully shady farm property in very rural Pryor – no worries about traffic! Individual rest stops are to come up with a theme for their rest stop; any suggestions would be welcome. The best idea so far is a Beatles theme with our giveaway as kazoos (that should be sufficiently annoying to be popular). Can you give us some time this year? We usually see the first riders between 10:30 and 11 and the last ones around 6. You're welcome to come for just a few hours or for the whole time. **It is fun and we are very popular with the riders!** Anyone willing to volunteer (the more the merrier), please let Barb know can call Barb at 369-2917 or email her at bdelozier2@cox.net.

The Tulsa-OKC Ski Club Lake Party

By Chuck Harrington

Who said an August Lake Party would be too hot? You couldn't tell by the 50 club members who spent the afternoon

the Edmond area.

Justin Sanwick of the Ale Haus and the Budweiser distributor provided two complimentary kegs of beer, and Charlie's Chicken of Wagoner catered our dinner. Everyone seemed to be pleased with the quality and quantity of food.

JoAnn Huber and **Ken Gowriluk** provided some cheese and crackers and brought their ring toss game. It is kind of like horse shoes but without the horse shoes. The main activity of the day, of course,

was water sports of all kinds. **Jim** and **Gay Sanwick**, **Dennis Holt** and **George Moudry** brought their boats, offered rides, and

took people out to try their skills at water skiing and wake boarding. In addition to his pontoon boat, **Jim** brought his

competition Master Craft ski boat for the serious water skiers. It was obvious who the "pros" were and who were the "wannabes". At first it was thought that **Chris Gavin** was in training for the underwater wake board competition, but after a few false starts he showed his stuff. **Dennis Holt**

with assistance from **Wendel Hillhouse** and **Becky** and **Don Wickersham** pulled club members around the lake on something that looked like an aero bed on steroids, but those who took a ride looked like they actually were enjoying themselves. **Kristin Huber**, **Tess Huber**, **Jim Sanwick** and **Michael Messimore**,

also known as the "Tulsa Water Ski Club", got in some good ski runs even though the water was not ideal for water skiing or bare booting. **Jim** got some "big air"

in his air chair. **Janice Hiatt**, **Kelly Phillips**, **Sherry Mitchell**, yours truly and several other club members were content to sit on shore and watch the action from comfortable chairs, golf carts and blankets.

As the day wore down, **Evan Elsberry** and **Gene Elsberry** were seen pitching a tent so **Evan** and **Kelly** could camp out

Jim Sanwick on his airchair

Kristin Huber, Jim Sanwick, Tess Huber, and Michael Messimore make up the "Tulsa Water Ski Club"

enjoying the unseasonable weather, good company, drinks and food. It actually felt more like September than August. **Gary** and **Helen Cheatham** provided the fantastic location and facility for the club's party again this year. Helen and Gay Sanwick set up the shelter and made sure that everything was semi-organized. We had several Oklahoma City Ski Club members sign up, but due to last minute conflicts, only **Malcom Champlin** and his family were able to join us from

OKC guests Brian Champlin, Tanner and Macy

Crested Butte

February 12-17, 2009

Cost: \$399

4 ski days

3 nights at The Chateau

4 days of skiing at Crested Butte. It's a great mountain with a variety of terrain. The green slopes are fun, and the left side of the mountain features some very challenging double-diamond terrain. Lots of great restaurants and entertainment, both at the mountain base and in town.

Pyramid shaped Mt. Crested Butte looms over Crested Butte, the last of the Colorado hippie ski towns. The lower front of the mountain is mostly beginning and intermediate terrain, while the cliff riddles bowls and faces on the back side, known as the North Face, test even the most talented skiers. The pretty Victorian mining town has excellent shopping and dining.
