\$85
Activities Only

NEW! Two Pricing Options for Kansas City Trip

We've added a New Pricing Option for the Kansas City trip... \$85! For those of you who want to arrange your own lodging, you can now join us for the tour and baseball game for only \$85... and the Art Fair is free. I will also have an agenda of activities for everyone, so you can join the group for any other excursions. Several people mentioned that they

thought the price of the trip is too high... but hotels on the Plaza are more expensive than other parts of the city.

This will be a wonderful weekend for those of you who decide to join us, and want to save a little money at the same time. There's so much to do and see. Art, baseball, museums... take your choice or see it all. Full package

price is \$315 for 3 days and \$265 for two days.

We want you to come... but you must hurry to sign up. Deadlines are coming up to release rooms at the hotel without penalty. Sign-up for the tour and baseball game portion will be available later than the full package.

This will be a fun trip and a

great weekend getaway. Send your payments to James Carpenter at 4145 South Birmingham Ave., Tulsa, OK 74105.

**Don't delay
do it today!**

President's Column

By Anita Greiner

Wow, it's September already! That means it's time for the picnic and to sign up for ski trips. You've had a month to look them over, and I'm sure you're anxious to come to the picnic to visit with your ski buddies and decide which trips to take. Remember, there is no September general meeting – the picnic September 20 takes its place. Come join us!

We had a great turnout at the Lake Party with old and new members alike. A big thanks to **Chuck Harrington** for organizing and being in charge, **Gary Sanwick** for decorations, and **Helen and Gary Cheatham** for hosting us at the shelter and swimming area of their Fort Gibson Lake property resort.

I write this before the Pool Party, but I know it will be as successful, if not more attended since it is in Tulsa. Thanks to **JoAnn Huber** and **Ken Gowriluk** for opening your beautiful back yard and pool to us! **Ken** and **Lowell Whitlock** are perfecting their pig roasting talents.

We have postponed the Napa Valley trip. Maybe it can be planned for next spring or fall.

have the time to devote to membership. Thanks for your time and efforts, **Tom**, and we hope to see you on a ski trip or two.

We are looking for someone to take over the membership position on the board. If you might be interested or know of someone, please contact me or any of the board members. My thanks to **Kelley Phillips** for covering the membership table at the August meeting. **Darla Foster** and **Kelley** will be working it at the picnic, if you'd like to help them, give me or one of them a shout.

You can still sign up for the activities in Kansas City, just give **Anita Maggio** a call.

September 17th SNO will be at Louie's Bar & Grill, see you there!

As I write this, we're still tying down details on working a beer booth at the State Fair to present to the board. Check further in the Lift Line for an article if it comes through.

I'll see everyone at the Sign-up Picnic September 20 at the Elks Lodge!

Keep smiling!

Tulsa Ski Club Lake Party

By Chuck Harrington

Who said an August Lake Party would be too hot? You couldn't tell by the 60 club members who spent the afternoon enjoying the water, weather, good company, drinks and food. August 8th was one of those scorching summer days, but the shelter was shaded, an industrial-sized fan created a breeze, and so the August heat was easily handled. **Gary** and **Helen Cheatham** provided the fantastic location and facility

for the club's lake party again this year at Ft. Gibson Lake. **Gay Sanwick** took care of decorating the shelter and made sure that everything was well-organized. Thank you, **Gay**, for all your organizational skills and hard work for the club.

The weather was hot, the beer was cold, and Charlie's Chicken of Wagoner catered our dinner. Club members brought snacks to share, so there was plenty of

good food and cold water and soft drinks to enjoy. Everyone seemed to be pleased with the quality and quantity of food. The main activity of the day, of course, was water sports of all kinds. **Jim** and **Gay Sanwick**, **Dennis Holt** and **Don Wickersham** brought their boats and offered rides and took people out to try their skills at water skiing and wake boarding. In addition to his pontoon boat, **Jim** brought his competition Master Craft ski boat for the serious water skiers. Several of the more intrepid members got in some good ski

runs even though the water was not ideal for water skiing or bare booting. **Jim** got some "big air" in his air chair, and many of the club members took advantage of the new sandy beach and enjoyed swimming or just lying around on "floaties". Other folks were content to sit on shore and watch the action from comfortable chairs, golf carts and blankets. Several new ski club members were at the lake party. They were **Tom Townson** and his family, and **Max** and **Irene Kozyczak**. Everyone had a great time.
